THE SCIENCE OF SAVING

NATIONAL CREDIT UNION YOUTH MONTH APRIL 1-30, 2018

Join us for National Credit Union Youth Month! This year's theme, "The Science of Saving," showcases fun, sci-fi-inspired characters and will focus on the science of making saving money a regular habit. Science has proven that if you start with small goals, saving your money can become a regular habit, and what better way to get started than by visiting your credit union for treats and fun activities! If you don't have a credit union account of your own yet, have your parent bring you by the Credit Union during Youth Month to open one and receive a special prize! Visit April 16-20, and receive special treats, refreshments, double punches on punch cards, and free coin counting*. We look forward to celebrating Youth Month with you.

**Counted coins must be deposited into a youth account.*

NATIONAL YOUTH SAVING CHALLENGE™

What better way to jumpstart your savings than with a chance to win \$1,000 cash? As part of our Youth Month celebration, we are participating in the National Youth Saving Challenge. When a member under the age of 18 makes a deposit during the month of April, their name will be entered in a drawing for a chance to win \$1,000!

PIGGY BANK VS. CREDIT UNION

Where do you stash your cash? You could keep it in a piggy bank, coin jar, or other secret spot, but did you know that your United Financial Kids Club account is really the best place to keep it? A lot of things happen when you bring your money into the Credit Union and deposit it into your account. Here are a few of them!

- We pay you money called interest just for keeping your money here. This helps your money add up faster than it would in your piggy bank.
- We keep your money safe - we'll never lose it or misplace it. Plus, you'll be less tempted to spend it, too!
- Your savings account grows every time you make a deposit and will never run out of room like your piggy bank could.
- Every time you come into the Credit Union to make a deposit to your savings account, you get to visit with our friendly member service representatives.
