Wondering What To Do With Your Old Toys? Donate!

Do you have toys just sitting in your closet, under your bed, or in your drawers? You may have lost interest in them a long time ago, but there's a way to make them feel like new again: donating!

When you donate, you give your toy to someone else to keep. Not all families can afford to buy toys brand new from the store, but when you donate your old toys, they can get a toy that is new to them. And just like you feel excited and happy when you get a new toy, another child will feel just as excited to get your toy too.

Ready to donate? There are a lot of organizations that help bring your donations to kids who will enjoy them. Talk to your parents about donating some of your old toys today!
